Specification	Details
Installation Advice	Before installing this product, confirm its suitability for your environment and needs: 1. Compatibility: Must be applied to a solid surface. 2. Surface Preparation: For optimal adhesion, the surface must be flat, dry, and free of imperfections. 3. Application: Remove the adhesive backing and press firmly onto the surface. Once applied, the adhesive is permanent, and the tiles are non-adjustable.

FEATURES

Now offered in exclusive Ninderry and Australiana print designs
