

CASE STUDY

[Unbelievable Transformation] Industry Leading **Manual Arts** **Room** Reveal

BFX Furniture

The Project

The BFX Furniture team worked with Burnside State High School to completely transform their outdated and worn manual arts room with brand new wood working and metal working benches. The project included the fit-out of two wood working rooms and two metal working rooms with industrial grade benches made from heavy-duty and durable materials.

Before

The New Metal Working Room

BEFORE

AFTER

Features

Solutions

BFX Furniture's range of custom-made wood working and metal working benches are essential for creating state-of-the-art manual arts labs. We specialise in supplying high-quality benches for industrial technology to exact sizing specifications and practical requirements.

Students will have plenty of workspace to spread out materials, tools and other equipment during their hands-on lessons. Our benches are fitted with locking storage cupboards or can be fitted with mounting brackets to ensure all industrial resources including tools, safety equipment, student's projects, woods, metals and plastics can be stored safely.

FEATURES

- High-quality durable benchtops
- Heavy-duty construction
- Industrial strength steel frame
- 7 Year Warranty
