BFX Furniture

Company Overview

History

BFX Furniture is an Australian company specialising in the office and education sectors. Since its establishment in 1980, BFX has grown to become one of the leading suppliers of furniture in Australia and New Zealand. With a service backed by years of extensive industry experience and a team dedicated to market research, BFX Furniture doesn't just deliver furniture, we deliver innovation and superior design.

We have over 40 consultants and over 100 distribution support staff on hand to deliver corporate, government, education, commercial and healthcare furniture fit-out services throughout Australia. BFX Furniture continues to grow and now distributes from a newly constructed 7500m² manufacturing facility in addition to our existing warehousing facilities in Yandina on the Sunshine Coast.

Philosophy

BFX focuses on creating inspiring spaces with something unique in every fit-out. Every step of the way, we are committed to understanding our client's needs and realising the maximum potential of every space.

We specialise in consultation and planning, 2D & 3D design, project management as well as delivery and installation. We consult with leading architects and manufacturers to provide superior quality furniture. As an Australian family owned and operated company, we are dedicated to perfecting our services. That is what makes us one of the best furniture suppliers manufacturing locally and sourcing globally.

Company Overview

Products

BFX has a proud history of providing furniture across a vast range of educational facilities including leading universities and TAFE institutes across Queensland. Regardless of the application, BFX Furniture is manufactured with a high lifecycle and backed by guaranteed warranties for your peace of mind.

Our University/TAFE products are broken into five broad categories;

Desks & Tables - Our range of desks and workstations include high-quality student tables, small meeting tables, flip-top tables for easy nested storage as well as indoor and outdoor café tables available in a wide range of surfaces coupled with stainless steel, chrome and powder coated connecting bases.

Lounge & Soft Seating - We provide a mix of luxurious visitor lounges and comfortable student lounges as well as functional soft seating ottomans to suit a variety of learning spaces.

Screening & Whiteboards - We provide a wide variety of teaching aids including wall mounted and mobile whiteboards. Free-standing screening creates sectional dividers that easily separate designated study spaces for better functionality.

Filing & Storage - Our storage range works across faculty spaces and student amenities. We carry bookcases and cupboards, filing cabinets, drawer boxes and mobile pedestals and secured lockers for additional student storage.

Chairs - Our range of modern and contemporary seating for higher education includes various stacking chairs made from extremely durable materials, as well as ergonomic task chairs for library, computer and study spaces.
