BFX Furniture

# Company Overview

## History

BFX Furniture is an Australian company specialising in the office and education sectors. Since its establishment in 1980, BFX has grown to become one of the leading suppliers of furniture in Australia and New Zealand. With a service backed by years of extensive industry experience and a team dedicated to market research, BFX Furniture doesn't just deliver furniture, we deliver innovation and superior design.

We have over 40 consultants and over 100 distribution support staff on hand to deliver corporate, government, education, commercial and healthcare furniture fit-out services throughout Australia. BFX Furniture continues to grow and now distributes from a newly constructed 7500m<sup>2</sup> manufacturing facility in addition to our existing warehousing facilities in Yandina on the Sunshine Coast.

## Philosophy

BFX focuses on creating inspiring spaces with something unique in every fit-out. Every step of the way, we are committed to understanding our client's needs and realising the maximum potential of every space.

We specialise in consultation and planning, 2D & 3D design, project management as well as delivery and installation. We consult with leading architects and manufacturers to provide superior quality furniture. As an Australian family owned and operated company, we are dedicated to perfecting our services. That is what makes us one of the best furniture suppliers manufacturing locally and sourcing globally.

# Company Overview

# Company Overview

## Safety & Warranty

BFX is committed to upholding government standards regarding the safety, strength and durability of our products.

Over 100 of our products are Independently tested by the Australasian Furnishing Research and Development Institute (AFRDI) and backed by an impressive 7 Year Warranty. The vast majority of our ergonomic office chairs, visitor chairs and desks are AFRDI Blue Tick certified, or AFRDI Rated Load approved for users up to 135kg.

Our products are subjected to extensive testing procedures including:

- Safety
- Stability
- Durability
- Flammability
- Strength
- Rated load capacity

Approved by Furntech- AFRDI

# Company Overview

## Certification & Accreditations

BFX is committed to the design, quality, production and delivery of its products and services. BFX is certified to the ISO 9001:2008 quality assurance Standard ensuring consistency across manufacturing, sourcing and delivery. BFX is also a member of the Australasian Furnishings Research Institution (AFRDI) and Furniture Industry Association of Australia (FIAA QLD, NSW).

## Manufacturing & Sourcing

The growth of BFX has been built on a foundation of consistently delivering quality workmanship to the highest standard. As a tier two commercial furniture manufacturer, BFX's extensive capabilities provide superior cost and efficiencies on each product and project undertaken. We pride ourselves on our proven capacity to deliver works that meet time frames and budgets. BFX also has experience in works for both private and public projects, complete with joinery, fixtures and fittings.

## Environment

BFX understands that responsible environmental management plays a significant role in ensuring the sustainability of our future resources and the quality of raw materials. BFX maintains the international certification for Environmental Management Systems ISO 14001. Our furniture supports the Green Star rating system with CETEC and AFRDI Blue Tick Approved products.

We also carry an environmentally friendly E0 range of office furniture that meets the E0 formaldehyde standard set by the EWPA, ensuring the air quality of office environments is free from toxins.

# Company Overview

## Products

Our diverse range of products is suitable for numerous applications across commercial and office sectors. At BFX Furniture, we understand the ever-changing nature of business operations and the need for flexible furniture that works across different areas.

Our office furniture is suitable across 5 areas. Boardrooms, training rooms, meeting spaces, work areas and break rooms.

**Work Areas** - BFX can furnish all work areas with ergonomic office chairs, straight desks, corner workstations, standing desks, screening systems and storage solutions including filing cabinets, bookshelves and mobile pedestals.

**Meeting Spaces** - We can cater for both formal and relaxed meeting spaces with disc base meeting tables, flip-and-store tables for easy nested storage, whiteboards, comfortable meeting chairs or visitor seating and single lounges.

**Boardroom Areas** - We have a large range of executive style boardroom tables available in executive board finishes and sleek modern chairs to suit.

**Breakout Spaces** - We have a variety of café style tables and chairs with bar height options available. Comfortable lounges and coffee tables offer a relaxing setting for employees to re-charge.

**Training Rooms** - BFX can supply seating, desking, visual aids like whiteboards and noise reducing wall art to ensure training seminars can operate efficiently with as few distractions as possible.

# Workstation FitOut Solutions

## Workstation Specialists:

At BFX Furniture we are the Office Fit-Out Specialists. Our extensive range of workstations and screening solutions offer a unique way to segment individual work areas while still allowing for the free flow of ideas.

## Office Workstations Are:

- Cost-effective
- Promote efficient operations
- Maximise space
- Maintain privacy in shared spaces
- Boost employee satisfaction
- Offer a variety of configurations
- Foster collaboration
